

LEAD INNOVATE SUCCEED

Women in IT.

Welcome to a place where you can be yourself. At Microsoft, we've always understood the importance of tapping into the talents of people with different experiences and opinions. We celebrate diversity not because we think we should, but because we know that innovation can't take place without it.

Now we're opening our doors even wider. Spend the day with us and meet some of our exceptional, successful female technical staff who will share their knowledge and experiences with you. Gain highly sought-after skills and leadership insights – and network with women who share your interests and ambition.

Explore your possibilities and join us at our leadership event:

Date: 10th June 2011

Location: Microsoft HQ Reading Campus, Thames Valley Park, Reading RG6 1WG

Times: 10:00am to 4:30pm

To register, please go to <http://leadershipmicrosoft.eventbrite.com/>

This event is part of the HE STEM Set for Leadership project, led by UCL.
